## PRELIMINARY AMENDMENT

Prior to examination, please amend the application as follows.

In The Claims:

Please cancel claim 1.

Please amend the claims as follows:

- 2. (Amended) The magnetically-actuated coupler assembly of claim [1] 6 wherein the leaf spring is secured to the first end of the drawbar and extends outward and around the first end of the drawbar to form a C-shape.
- 3. (Amended) The magnetically-actuated coupler assembly of claim [1]  $\underline{6}$  wherein the outer tip of the coupler knuckle contains a lip which extends inward toward the post.
- 4. (Amended) The magnetically-actuated coupler assembly of claim [1] 6 wherein the drawbar includes an extension lip, extending from the drawbar.

5. (Amended) The magnetically actuated coupler assembly of claim [1] 6 wherein -the coupler knuckle contains a slot, an edge of which interacts with one of the stops of the couple head to limit the capability of the coupler knuckle to open.
